

Cre8a – Exterior Cladding Colour Options

Our PODs are supplied with a high-quality exterior cladding in a wide range of colour options which can be supplied in any combination to create the perfect look. This list is not exhaustive so if there's a particular colour you want, that is not shown below, please contact us to discuss. This versatile but hard-wearing cladding can be installed in urban patchwork, shiplap or block and brick designs.

STONE

The stone range has distinctive gloss and matt facets, is appealing to the eye and impressive to touch. It is full of depth and character, recreating a range of stone or concrete finishes.

Metallic

You can give your decor a timeless gleam. Our metallic range combines a transparent overlay with metallic flakes on a plain coloured background to showcase a range of modern patinas.

Black and White

Bring a touch of elegance to your exterior with a contrast between light and shade.
